INTRODUCTION:

This trekking program in the region of San Pedro de Atacama allows us to discover the Atacama Desert from another point of view. Splendid walks show us the deep face of this region and reveal to us its most intimate secrets, with the peace and beauty that only a trekking can offer. Unforgettable hikes are organized in deep canyons, on sand dunes, along rivers, on volcanic rocks, and in the middle of the most beautiful landscapes of this region. This program is for those trekking lovers who are looking for an exceptional experience.
